A RESOLUTION AMENDING RESOLUTION 86-153 BY INCREASING
THE MILLARD COUNTY LANDFILL FEES AND INCREASING
DELTA CITY'S ADMINISTRATIVE FEES.

The City Council of the City of Delta, Utah, referred to in this resolution as the "City Council," hereby recites the following as the basis for adopting this resolution:

A. The City Council has heretofore adopted ordinances regulating the hauling and disposal of solid waste within the City of Delta, Utah as set out in Chapter 10-400 of the Revised Ordinances of Delta City (1981 Edition), *as amended*.

B. Delta City entered into an Interlocal Cooperation Act Agreement with Millard County on June 25, 1986, to provide for disposal of solid waste generated by the residents of Delta City and the various businesses and establishments located within Delta City.

C. Under the terms of said Interlocal Agreement, Delta City has been assessed a fee by Millard County for services to be provided by Millard County in transporting said solid waste from established solid waste collection sites to the Millard County landfill.

D. Millard County has previously increased its assessment for fees charged by the County for solid waste disposal and now desires to increase said rate pursuant to the terms of the new fee schedule adopted hereby.

E. In addition to said fee schedule adopted by Millard County, Delta City has assessed a \$.30 administrative fee on each dwelling, business and other establishment which has been assessed a Millard County landfill fee and now desires to increase its administrative fee to \$.40 as set forth under the terms of the new fee schedule adopted hereby.

F. The City Council now desires to amend Resolution 86-153 by adopting the new landfill fees assessed by Millard County pursuant to terms of said Interlocal Cooperative Act Agreement and by increasing the City's administrative fee as set forth in the fee schedule attached to this resolution.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Delta, Utah:

adopts 1. Increase of Landfill and Administrative Fees: The fee schedule attached hereto and adopted herein by reference shall be the schedule of fees that Delta City will charge solid waste users for sanitary landfill purposes pursuant to the Interlocal Cooperation Act Agreement entered into between Millard County and Delta City on June 25, 1986. In addition thereto, said fee schedule ~~sets forth~~ the administrative fee charged by Delta City in administering said Interlocal Cooperative Act Agreement.

2. Remaining Provisions to Remain in Effect. All other provisions of Resolution 86-153 not affecting the fee schedule adopted hereby shall remain in full force and effect.

3. Effective Date. This resolution shall become effective upon adoption.

4. Severability. In the event that any provision of this resolution less than the entire resolution is held invalid by a court of competent jurisdiction, this resolution shall be deemed severable and such finding of invalidity shall not affect the remaining portions of this resolution.

5. Repeal of Conflicting Resolutions. To the extent that any resolutions, policies or procedures of the City of Delta conflict with the terms of this resolution, this resolution shall be deemed controlling and such other conflicting resolutions, regulations or policies shall be deemed amended to comply herewith.
